## KEY

### Scale

- 1 = Excellent
- 2 = Strong
- 3 = Acceptable
- 4 = Manage
- 5 = Not Recommended

Product descriptions and ratings are generated from Answer Plot® trials and/or from the genetics supplier and may change as additional data is gathered.

### 1 Maturity

- 1 = Early
- 5 = Late

### 2 Height

- 1 = Short
- 5 = Tall

### 3 RTP/RTN/RTF Ratings

- L = Low Response
- M = Moderate Response
- H = High Response

The comparison ratings are with CROPLAN® wheats only. These ratings reflect trends observed in research trials, which will change based on various factors, including variations in rainfall, temperature and production patterns.
