

OptiStart®/Gold Pro

Balanced Starter Fertilizer

OptiStart®/Gold Pro fertilizer is an easy-to-use in-furrow starter designed to get plants off to a quick start. OptiStart®/Gold Pro delivers available phosphorus and essential elements to help optimize yields.

FEATURES AND BENEFITS

- Contains AVAIL® fertilizer enhancer to help reduce phosphorus fixation in the soil.
- Provides a blend of macro- and micronutrients essential for early season plant vigor.
- Contains 80% orthophosphate for nutrients that are plant-available immediately.
- Flexible starter fertilizer that can be applied in-furrow or banded at planting.
- Water-soluble, pure liquid formulation.

AVAIL® Fertilizer Enhancer

AVAIL® fertilizer enhancer is designed to reduce phosphate fixation. It works by binding antagonistic cations like calcium, magnesium, iron and aluminum to the AVAIL® fertilizer enhancer polymer, which protects the phosphate from tie-up and helps keep it available for plant uptake.
